If you are new to All Star Cards.....Welcome!!! If you have any questions about how we operate, what we buy & sell, how our auctions work or anything else, just pick up the phone and call us. Our advice and the phone call are free. (Unfortunately, you do have to pay for the cards!) Our address and toll-free phone number are at the top of each page. Our staff, Charlie, Michelle and Craig have over 50 years of combined experience in the sports collectibles industry. We have been a PSA authorized dealer for the last 18 years as well as regional correspondents for Beckett price guide and long time advertisers in Sports Collector's Digest, Beckett and PSA's Sports Market Report. We take pride in helping our customers in a friendly, respectful and ethical way as we try to build long term relationships with our clients.

..... If you are not new to All Star Cards.....Welcome Back and THANK YOU!!!

Your support over the last 25 years has made it possible for all of us at All Star Cards to avoid getting real jobs. (We really appreciate that!) Seriously though, we do appreciate all of our customers and want every experience you have with our company to be the best it can be. If there is ever something wrong with your order, call us and we will make it right!

A Word or Two About Our Mailing List. We mail out 5,000 to 7,000 FREE catalogs each issue to collectors around the world. Because of the expense to do this, customers will be dropped from our active mailing list if they do not place an order within the first six months of receiving their first issue or if existing customers order less than once a year. Otherwise we will continue to send you the catalog. We reserve the right to remove a customer from the mailing list if they have a history of putting items on hold and then fail to pay for held items, if a customer fails to pay for items that they are high bidder on in our auctions or if we deem a customer is dealing in bad faith.

What You Can Expect From Our Catalog: We try to keep it fun! Our inventory will vary from inexpensive fun cards to serious high end investment opportunities. Each issue will offer a different list of "Exclusive Specials" to tempt you with great deals. We also conduct a telephone auction six or seven times a year which gives you an opportunity to purchase items below regular catalog price. As a bonus to those who place an order, we offer our customer rewards program. The rewards program consists of an additional 8 to 12 items that we put on special as well as a catalog supplement featuring new inventory that we just got in. These reward sheets are located inside the catalog that accompanies your order. If you are looking to sell some or all of your collection, we offer our "Buy List" at the back of the catalog, listing the main cards we are looking to purchase and the price we will pay. (Not many dealers will put buy prices in writing, but we will!)

The Pricing of Our Products: We are very fair in our pricing of PSA graded cards, thus our inventory changes quite a bit each issue. Our philosophy is to make a little on each card, move them as fast as possible and then replace our inventory with something new. If something does hang around too long or if we have too many of the exact same item in stock, we will lower the price through our "Red Tag" sale.

Now For the Good News/Bad News.... Our most common complaint is also our greatest compliment. From time to time you may call us wanting to purchase a card that you see listed in our catalog and we deliver the bad news that the item has already been sold. When a player becomes hot we will often field 25 to 50 calls a day from customers looking to purchase their cards. When we list a rare vintage card we may have 15 interested clients, but have only one card to sell. We sincerely apologize when this happens and understand your frustration. We do our best to remain fair to all of our customers by keeping consistent with our "first come, first served" policy. The items listed in our catalog were "in stock" at the time the issue goes to press which is about two weeks before your catalog arrives in your mailbox. Also, our catalogs are mailed out to all of our customers on the same day via bulk mail.

Do you know someone that would enjoy our free catalog? Fill out the form below or give us a call and we will add them to our list. Thanks for the referral!
